

Industrie Service

CERTIFICATE

The Notified Body - 0036 -
of TÜV SÜD Industrie Service GmbH

certifies that

Bahntechnik Brand-Erbisdorf GmbH
Berthelsdorfer Strasse 8
09618 Brand-Erbisdorf

has implemented, operates and maintains a

Quality Assurance System in accordance with the
Pressure Equipment Directive 2014/68/EU, Annex I, Section 4.3,
AD 2000-Merkblatt W 0 as well as EN 764-5, Para. 4.2

as a material manufacturer for the scope of

Production of rough-, pre- and finish-machined
hammer- forged and long forgings as well as rolled rings

The scope of the approval is described in the annex to this certificate.
Further details are mentioned in report no. C-23667983-23.

The manufacturer is therefore authorized to issue certificates of specific product control within the scope of the assessed quality system and in accordance with the Pressure Equipment Directive 2014/68/EU. Possible additional requirements - specific to applied technical specifications to meet PED Annex I - are not affected.

This certificate is valid through august 2026.

In order to adhere the validity an annual surveillance audit is required.

Certificate No.: DGR-0036-QS-M0100084919/2023/MUC-01
